The INK WELL

ARMSTRONG COLLEGE

MAY 2, 1952

VOL. XVII, NO. 10

OPEN HOUSE MAY-15

Faculty and students of the college will hold their annual Open House on Thursday, May 15th from 4 to 6 P.M.

As is customary all prospective students, present day and night school students, parents and friends are invited on this occasion to see just what Armstrong 'is and does.' In order to impress on them the offerings and activities of the college, interesting displays and exhibits are planned by a number of the departments.

In the past some of the departments which have held interesting demonstrations or have prepared displays have been chemistry, biology, physics, the languages, secretarial, the Masquers, and others.

Refreshments for the guests are prepared by Miss Wolfe and her committee. This year music will be a feature of the Open House.

Student guides will be on hand to take the guests on a tour of the six Armstrong buildings.

The Inkwell, in a special two-page Open House edition, will be given out to the guests.

Mr. Lamar Davis, economics instructor has been named general faculty chairman of Open House. He will be assisted by the following faculty committee: Mrs. Margaret Lubs, Miss Eleanor Doyle, Mr. Arthur Gignilliat, Mrs. Josie Nelson, Mr. Joseph Killorin, Miss Helen Wolfe, Mr. Elmo McCray.

The Student Senate appointed a Board of Directors to encourage and enlist student participation in this year's Open House. It is expected that this year more guests than ever will be introduced to Armstrong College, its faculty and student body.

ATTENTION ALL JUNE GRADUATES

It is the custom of the college to furnish, to those who have paid their graduation fee, three invitation booklets which contain information concerning the graduation activities, the program of the graduation itself, and the names of all prospective graduates.

An order has already been placed with Evans Printing Co. for these booklets. The minimum order placed covers only the three booklets per graduate. If any candidate for graduation would like to order additional invitation booklets to mail to guests, he must do so by Monday, May 5th.

The order for additional invitations must be placed with Mrs. Nelson in the business office and approximate cost of the booklets is twenty cents each.

So if you are interested in extra invitations place your order by Monday afternoon.

MASQUERS' CAST ANNOUNCED

The final cast for 'Twelfth Night' has been announced by Mr. Porter. It includes as the identical twins, Sebastian and Viola Robert Friedman and Joan Hughes; as Sir Toby Belch, Fred Bower; as Sir Andrew Aguecheek, Corbett Coleman; as Fabian, Charles Itzkovitz; as Maria, Miriam Cowan; and as Feste, the clown, is Lollie Stelljes.

The beautiful countess Olivia is to be played by Mary Ann Childers; her faithful servant, Malvolio, will be Maurice Ayrrer; and as Antonio, Bill Lewis; as Curio, Joseph Rice; as a sea captain, Brevard Law; as Valentine, Bernard Steiner; as an officer, Jack Lewis; as the priest, Earl Waller; and playing a lady-in-waiting will be Barbara Lawing.

For this production, Bernard Steiner will act as stage manager and assistant director as well as play the role of Valentine in the play.

As a project for Open House, the Masquers will present scenes from 'Twelfth Night' for those interested.

MEET ANNA SEYLE

By Jean Bolen

Anna Cone Seyle, a native Savannahian, attended Armstrong College. She graduated from the University of Georgia in 1948 and majored in English.

In July 1948, she began working at Armstrong College. Since that time she has been Secretary to the Dean Of Students. Just about a month ago, she was named assistant registrar. She likes her new job, and Armstrong is fortunate to have such a fine person in such a key position.

Mrs. Seyle attends the First Baptist Church, where she was married on August 11, 1951 to Charles W. Seyle.

Such a sweet and modest person is difficult to interview. However, we do know how helpful she is, especially during the run of the Masquer productions. Few people here at Armstrong have as many friends as has Anna Seyle.

The second project is the publication of a new Armstrong address book. This service was performed by Delta Chi last year, and the Senate has undertaken the job this year.

YOUR SENATE IN ACTION

By Charlotte McGalliard

Your Student Senate has really been on the ball this quarter; those members who attend regularly have gotten together and have worked like a veteran team to get things done in record time.

On April 9th President Hawes addressed the Senate on the subject of the continuation of basketball on an inter-collegiate level at Armstrong. The lack of student support of the team made it questionable whether basketball was worth the money spent on it annually.

Before taking any action on the measure, the Senate invited Mr. Bill Bell and Miss Dorothy Morriw to speak to the body on this subject. At the next meeting the two P.E. instructors spoke and a heated discussion followed their addresses. After due deliberation the Senate voted by secret ballot and the count was 7-6 in favor of discontinuing inter-collegiate basketball at Armstrong.

A letter has been written to the faculty with this information in it; the faculty's decision is eagerly awaited.

Here's something Armstrong has needed for a good while. The Senate has passed a measure stating that every other Friday an informal dance will be given here at the school by several of the organizations or clubs.

The first of such dances was given on Friday, April 25th, by the Masquers, the Co-Eds, and the Sassy Strutters. A good crowd showed up, but several of the familiar faces of both faculty and students were missing.

Open House is just around the corner and the Senate has started things moving toward the preparations for it. The senators representing the Co-Eds and the Slick Chicks volunteered the services of their clubs to write the Open House invitations.

A board of directors for Open House was set up by Senate President, Evans Nichols. This board is made up of Eleanor Goldberg, Ralph Heise, Jeanne Glover, George Hart, Betty Johnson, Sandra Hart, Sue Cunningham, Charlotte McGalliard, Ralph Dolgoff, and Evans Nichols.

The Senate has taken over two new projects. The first is the revision of the "A" Book. This has been postponed long enough, say your Senators, and at last something is being done about it. A committee has been formed to see that the job is well done.

EDITORIAL

Lately there has been a very potent question raised as to whether or not Armstrong should continue to participate in intercollegiate basketball. This should be of utmost interest to all students.

The question has been presented to the Student Senate; the Senate acting in a capacity of recommendation. By a vote of 7 to 6, the senate recommended that Armstrong drop intercollegiate basketball. Of course, the Senate does not have the power to do away with the basketball team. No doubt that is as it should be. The Senate has only the power to recommend.

If the vote in the Senate is any reflection of the opinion of the student body, it would seem that the student body is pretty evenly split on the question.

However, it seems that as a whole the student body has presented an indifferent attitude toward the problem. The student body should make itself heard on this vital question.

No final decision will be made on the matter, however, until the recommendation of the Student Senate is presented to the faculty at its next meeting. So it is still not too late to do something about the question.

Mercury

It's coming again! That great literary publication - "The Mercury."

You, too, can be a part of it. Just write an article, story, or poem and hand it in to Ralph Dolgoff or Eleanor Goldberg. The deadline is May 3, 1952.

ARMSTRONG SUMMER SCHOOL PLANS ANNOUNCED

TWO SESSIONS TO RUN; JUNE 16th - JULY 24 AND JULY 28 - SEPTEMBER 4th

Due to the small enrollment in the day session during the summer of 1951, the college administration has combined its summer school programs for the day and evening sessions into one session for the summer of 1952.

It will be possible to complete 5 or 10 hours of work in either six-week session, the first term beginning June 16, the second July 28. No 3-hour courses are offered and students are urged to take all of an English or history sequence in the summer school or none of it due to the difficulty in combining the 3-hour and the 5-hour English and history courses.

Mr. Beecher and Mr. Gignilliat will be on hand to assist students with their programs.

Classes will begin at 6:15 or 8:15 p.m. and meet 4 days, Monday through Thursday inclusive.

A new wing of the Air Force has arrived at Hunter Field and an increase in students from the Air Base is expected during the summer quarter.

A proposed summer school schedule is printed below. Copies are also posted on bulletin boards. Students' suggestions are invited and may be given to Mrs. Meighen in the Evening College office in the lobby. This should be done at once since copy for the summer school schedule will go to press in the next few days.

CLUB NEWS

The Tumbling Team is busily engaged in learning a large number of new spins, flips, balances, and other physical contortions. Among the new acts are double backward rolls, assisted flips, elbow-head balances, tiger stands, fish flops, cart wheels, and group pyramids of different combinations. The team has already received two huge new mats for their practice room from the college.

The Science Club has been a little inactive in the past quarter due to conflicting lab schedules of members and other such reasons. But, the club hopes to get up some good programs soon and get back into the swing of things.

The Math Club too has been rather inactive this year. Surely there are some mathematical fiends at large here at Armstrong. Why don't you get interested in one of the most interesting clubs here at school? Watch for a notice of the next meeting.

The Newman Club which has been more active this year than it has in any other will wind up its year's activities with the next meeting. So all members are urged to attend Wednesday, May 7 at 1:30 P.M. in 103 J.

ATTENTION STUDENTS QUALIFIED TO VOTE!!!

The procedure for becoming a registered voter is simple:

(1) When - It is necessary to be registered before May 4, 1952, eligible to vote in the County, State, and General Elections of 1952

(2) Where - Register at the Tax Collector's Office, Chatham County Court House, Monday thru Friday, 9 A. M. to 5 P.M., Saturday, 9 A.M. to 1 P.M.

(3) Who - Every citizen of the City of Savannah or Chatham County must be registered at the Chatham County Court House to be eligible to vote in the County, State, and General Elections. For example, persons registered only at Savannah Beach are ineligible to vote in County, State, and National Elections.

(4) What - It is necessary to be:

- A citizen of the United States
- 18 years old, (Now or before the time of the election)
- Pass a literacy test or substitute
- 1 year's residence in the state, 6 months in the county by the time of the General Election

So if you haven't registered yet to vote in the next election, do so at once!

ATTENTION COLLEGE WOMEN:

Are you going to be a career girl? If so, you'll want to do something that will be interesting, (and stay interesting), and that will pay well. Here it is--the field of Physical Therapy. This relatively new profession has grown to such an extent that more and more trained therapists are in great demand. In 1952 the American Physical Therapy Association hopes to recruit many students for training in the schools of Physical Therapy in this country. As a profession, Physical Therapy offers a wide variety of job opportunities.

You may work in a general hospital, a special hospital, a rehabilitation center, an industrial clinic, a school for crippled children, a physician's office, a public health center, or a Veteran's Administration Hospital. If you are interested in wearing a uniform, you may join the Army or Air Force and assist in getting the Korean war casualties back to duty.

A list of requirements for those interested in Physical Therapy may be obtained by writing to the American Physical Therapy Association, 1790 Broadway, New York 19, New York.

If you are in a college which does not offer a course in physical therapy, you may, after two years, transfer to a two year physical therapy course leading to a degree in P.T.

The Army Medical Center at Fort Sam Houston, Texas, is offering two classes a year to qualified applicants. One requirement is a baccalaureate degree, including satisfactory courses in the biological and physical sciences and psychology. A selected applicant is commissioned as a 2nd Lt. in the Women's Medical Specialist Corps prior to taking the course. For further details, address your inquiries to The Surgeon General, Department of the Army, Attn: Chief, Personnel Division, Washington 25, D.C.

(This information is included in the Inkwell at the request of Miss Marion Bergen in charge of Public Relations for the Georgia Chapter of the American Physical Therapy Association)

"I ordered everybody to take an aptitude test, and look what happened!"

SEEN ON THE SCENE

Barbara and Jack - not so happy in contrast to 'bubbling-over' Mollie and her ever-wonderful Arthur.

Sue C. having a wonderful time last Friday night. Who is the new interest?

Ray R. was spotted 'drivin' a car so we warn you to walk at your own risk.

Twosomes around campus

Isa and Marion, Kitty and Paul?, Joyce and Jim (still!), Charlotte and Donald among others.

An old familiar face appeared at the basketball banquet, we have been told - Warren Prim with Nancy M.

Hear rumours of a new club being formed around here by the girls who are being true. Anyone interested see M.A. McGrady, Ann S., Miriam C., or Lollie S. They are the charter members.

Note gleam in the eye of Editor Waller. Basketball banquet, huh?

117th home, making many of the Armstrong co-eds happy.

Spring brings romances and Armstrong surely has its supply,---- Bubber & Judy for example. Who did you say had the upper hand, Bubber?

Jean W., who is it now? Those letters came mighty far, didn't they?

Mary Ann and PeeWee seem to have stolen the show at Harris's Saturday night, Good for M.A. - not many girls have that much nerve.

BOYS INTRAMURAL SOFTBALL NEWS

The first week of the softball league found the Sophomores and basketball team posting victories.

In the opening game on Monday at Forsyth Park, the Sophomores defeated an error laden Freshman team by a score of 12 to 6. The Freshman team took an early 3 to 1 lead but the Sophs scored six runs in the fourth inning to sew up the game. Ralph Dolgoff hurled for the winners and Allan Strickland took the loss.

In the first game of a double-header on Wednesday, the basketball team rolled over the Freshmen by a score of 17-11. It was a wild ball game from the beginning with numerous errors and great fielding plays by both teams. 'Rapid Bill' Bell hurled the victory while Jules Abraham took the loss. Don Oxley with three nits in five trips to the plate led the winners in hitting. Abraham with three hits in four trips led the losers.

In the second game, the Basketballers scored a second victory as they defeated the sophomores by a score of 18-16. It was one of the craziest games ever played in the intramural league and it was more like a track meet than a softball game. Don Oxley was the winning pitcher and Ralph Dolgoff the loser. James Mahany with four hits led the winners while Gene McCracken with three hits led the losers.

Score by Innings:	R	H
Sophomores 1 0 3 6 0 0 2	12	11

GIRLS INTRAMURALS

By Charlotte McGalliard

Four games have been played since last issue and two of them had to be forfeited by a team because of the lack of interested players. For a sport like softball it takes plenty of cooperation and real team spirit to win because of the large number of players required for a good field team.

The first forfeit game was between the Slick Chicks and the Sassy Strutters; since only four Slick Chicks showed up to play, the Sassies took the game hands down. Then a week

"It has been brought to our attention that a certain malicious group of irate glory seekers has slandered the staff and prestige of our glorious news organ, The Inkwell. Seems that they don't think that the Ink is very Well. The other day, for instance, we were affrontingly accused of being partial to girls' sports. Imagine that! Just because they had the whole back page of a two page issue, they said we were being partial. Huh -- some people. Well, we're not afraid. We, with a firm backbone, do declare that we will print whatever news we get, and if it happens to be four pages of boys' sports, we'll print it still. Listen! Every club should have a news reporter who lets us know what's goin' on so's we can tell everybody else. And if'n you don't have no news, then we don't want to hear about ya anyway. We hereby dare anybody to send us news they think we wont print."

The Inkwell Management

FOR ULTIMATE SUCCESS WITH OUR OPEN HOUSE ON MAY 15th WE MUST COUNT ON ONE HUNDRED PERCENT COOPERATION ON THE PART OF BOTH FACULTY AND STUDENT BODY.

GIRLS' INTRAMURAL NEWS

(Continued from Column 1)

later, on the 15th, the Sassies turned right around and forfeited to the Co-Eds.

The first 'real' game was played between the Glamazons and the Co-Eds on the 10th. The Co-Eds walked off with this game 12-6; the winners had two homeruns, one by Barbara Lawing and the other by Betty Lord.

The other 'real' game was on the 17th between the Slick Chicks and the Glamazons. The Slick Chicks made sure that victory was theirs, for they racked up a score of 51 to the Glamazons' 9. The Slick Chicks' Betty Murphy slapped two homers and Barbara Gross got one.

It looks like the Co-Eds are after that softball championship and nobody, so far, has been able to stop them. They are undefeated in their four games.

The Glamazons have claimed second place in the league, winning two out of their four games. This scrappy little team has pulled the upset of the year by coming from a fourth inning score of 27-11 with them on the bottom to beat the Sassy Strutters 29-28 on April 24th.

ASSEMBLY

On Wednesday, April 16, the students of Armstrong College presented one of the most enjoyable assembly programs of the year. Under the student leadership of Bill Lewis and Brevard Law, assisted in the Faculty department by Mr. Porter, varied and sundry forms of talent were shaped into entertainment.

Since without him no production would be complete, Maurice ("The Bishop") Aryer was there in full force, bringing his jokes (?) with him.

Another regular star was Miriam Cowan, whose lovely voice is always welcomed. Lolly Stelljes joined her to give forth some fine harmony.

The Jack Porters (J.P. and Shirley Tomlinson) and the Dewey Nortons (D.N. and Glenda Highsmith) put on an amusing skit entitled "A Night Out".

In the Blackface Department, our favorite 'darkies' Tom Perry, Earl Pullim, and Dewey Mosher, were ready, willing, and able. We wonder where they find all the jokes they tell -- and the ones they don't!

A "can-can" added a touch of the theater (burlesque, that is) with their painted faces and high kicks, the chorus line closely resembled the real thing. Where did those gals learn it? (We better check into the extra-curricular activities of students!)

Last, but not least, was a skit (take-off, parody, what-have-you) on the faculty. The audience roared with laughter from start to finish, so most of the lines were lost -- but just to look at them was hilarious. There was little doubt as to who each "character" was. Bearing a striking resemblance to the teacher they portrayed were Freddie Stokes (Mr. Beecher), Arthur Gignilliat (Mr. Killorin), Gene McCracken (Mr. Murphy) and Corbett Coleman (Mr. McCray). We can only hope that no failing grades and such are given out as a result.

The assembly was all fun -- fun for its participants and for its audience. The wave of unity which prevailed shows clearly that there is definitely harmony and school spirit to be found among this student body and its faculty.

STUDENTS INTERESTED IN WORKING ON OPEN HOUSE SHOULD CONTACT STUDENT CHAIRMAN EVANS NICHOLS FOR AN ASSIGNMENT OR TO STATE THEIR PREFERENCE AS TO THE COMMITTEE ON WHICH THEY WISH TO SERVE.
